

Candy boy

River Mein

If you were a candy,
You'd be gummy bears,
Bright and colourful
The cutest of all,
And even when you try to be sour,
You still taste so sweet.

If you were a candy,
You'd be jelly beans,
The favourite treat
That everyone loves
And the one that I steal handfuls of
When nobody's looking.

If you were a candy,
You'd be lollipops,
Always lovely,
Lasting the longest,
My prize for doing my best
Is I get to have you.

If you were a candy,
You'd be mine
But you're not a candy,
Although you will always be
Sweet as candy to me.
