

# Girls

*Amelia Fullerton*

boobs  
hips  
voice  
something i can't escape  
trapped  
trapped in a body that isn't mine  
but it is  
is it who i am?  
boobs, hips, voice  
androgyny  
that's the end goal  
it's not an easy one when...  
my boobs, hips, voice
