

We Exist in a Time

Ash Parkin

We exist in a time
We exist in a place,
We all have our quirks
Our homes, our goals.

We are all here.
Here on this rock
Trapped here together
Forced to work along side one another

Trapped on a rock
Surrounded by others
With their own goals and homes
We work together

We exist in a place
A time of war
A time of love
A time of hate
A time of joy
A time of sorrow
A time of technology

We exist in a place
A place of belonging
A place of longing
A place of hoping
A place of loosing
A place of loving
A place of creating

We exist in a time,
We exist in a place,
A place for you
And a place for me.
