Heading home now, I'll pick up those strawberry condoms you like. [Laughter] Call me if
you need anything else. The weather's shit tonight, can you heat my hot water bottle up
if you get the chance? Love ya.

Voicemail sent on 04/08/2025 17:54, sent from your phone: Pop into Woolies for those
pralines, will you? I can't find the ones we got last week. [A pause. Barking in the
background.] Reggie's begging again, I gotta go. Your hot water bottle's warming through.
Drive safe.
